TRY OIL OF KOREIN TO KEEP WEIGHT DOWN, OR TO RE. DUCK SUPERFLUOUS

PAT.

People whe are confined within doors, and who are deprived of fresh, invigorating air and exercise, must take precaution to guard against over-stourness, as fat acquired by indoor life is unhealthy and a danger to the vital organs of the body. Lack of exercise in the fresh air is said to weaken the exygen-carrying power of the blood, so that it is unable to produce strong muscles and vitality, and the formation of unsightly and unhealthy fat is the result.

If you are 15 or 20 pounds above normal weight you are daily drawing on your reserve strength and are constantly lowering your vitality by carrying this excess burden. Any persons who are satisfied in their own mind that they are too stout are advised to go to a good druggist and get a box of oil of korein capsules, and take one after each meal and one just before retiring at night.

Even a few days' treatment has been reported to show a noticeable reduction in weight, improved digestion and a return of the old energy; footsteps become lighter and the skin less flabby in appearance as superflucus fat disappears.

Oil of korein is inexpansive, cannot injure, and helps the digestion. Any person who wants to reduce 15 or 20 pounds is advised to give this treatment a trial.—Advt.

SUNDAY WORLD WANTS

Indoor Life Makes Fat PHOTO ENGRA

As a result of an inquiry conducted by Assistant District Attorney William Harmon Black under the supervision of District Attorney Swann the Photo Engravers' Board of Trade, re- day in mandamus proceedings brought Photo Engravers' Board of Trade, recently organised for the purpose of advancing the price of engraving work, agreed to dissolve to-day. A scale of prices issued by the organization on April 3 will be withdrawn and the photo engravers of the city are now back in the condition of open competition which prevailed in their business until, with very few excep-WORK MONDAY WONDERS. business until, with very few excep-

Don't Sell Your Health For a Few Cents

You may be offered a malt whiskey at a few cents per bottle less than Duffy's. It is well to save when you can, but you cannot get a MEDICINAL malt whiskey for less than Duffy's costs.

The REAL reasons why you can get malt whiskeys for less than Duffy's are the VERY reasons why those vhiskeys CANNOT have value as a medicine. There are many malt tonics and malt whiskeys on the market, for the

rength-giving qualities of maited grain are well known to medical science, he demand is great. Many are anxious to profit by meeting it. Supplying cheap malt whiskeys and tonics is easy to do, but making a malt whiskey having the well-known beneficial power of grain in medicinal form is very different matter.

Be Sure You Get **Duffy's**

This seal is on the genuine only. It is there for your protection. Look for it.

It can't be done easily or cheaply. Anyone can make a malt whiskey, but few can afford the cost of the expensive processes necessary to make a TRUE medicinal malt whiskey—even if they had the required knowledge and experience.

more to make because of the superior material employed in its production, resulting in properties not ound in other whiskeys.

Many malt preparations are offered at a lower price in competition with Duffy's Pure Malt Whiskey. It is attractive to take "something just as good" and save a few cents' difference in cost per bottle, but if you do, you trade your chances for recovery of health for a few cents. The "just as good kind" CANNOT give you the medicinal aid you CAN get from Duffy's. Absolute purity makes Duffy's Pure Malt Whiskey reliable and beneficial in assisting the stomach in its important duties of converting food into good rich blood. It is an ideal tonic stimulant in all cases of low-
